SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Under 37 C.F.R. §§ 1.97(b)(3) and 1.98

Sir:

The Information Disclosure Statement submitted herewith is being filed before the mailing date of a first Office action on the merits.

The Examiner is requested to consider the references noted on the enclosed Form PTO-1449 during examination of the above-identified patent application. These references are submitted for the Examiner's consideration and are submitted pursuant to the duty of disclosure under 37 C.F.R. § 1.56. In submitting these references, no representation is made or implied that the references are or are not material to the examination of the application. The Examiner is

encouraged to make his or her own determination of materiality. Except as otherwise discussed hereinbelow, copies of the references are provided herewith.

In compliance with MPEP § 2001.06(c) Applicant hereby notifies the U.S. Patent and Trademark Office that the subject matter of the present application has been involved in litigation. More specifically, the present application is a continuation of U.S. Patent Application Serial Number 09/139,194, which issued as U.S. Patent Number 6,411,965 B2 on June 25, 2002 (the '965 Patent). Further, the '965 Patent is a continuation of U.S. Patent Application Serial Number 07/975,905, which issued as U.S. Patent Number 5,799,320 on August 25, 1998 (the '320 Patent). Both the '965 Patent and the '320 Patent were involved in Civil Action No. 02-D-1301, in the U.S. District Court for the District of Colorado, between EdiSync Systems, LLC (Plaintiff) and Citrix Systems, Inc. (Defendant). Such litigation was dismissed with prejudice per Court Order on March 26, 2003. Further, listed on the PTO-1449 provided herewith are those "prior art" references provided by Citrix Systems, Inc. to EdiSync Systems, LLC during the course of the beforementioned litigation. In submitting such references, Applicant does so in an abundance of caution and makes no representation, neither explicit nor implied, that the references are or are not material to the examination of the present application. The Examiner is encouraged to make his or her own determination of the materiality of any of the submitted references.

Applicant also discloses and provides herewith a complete copy of the "Timbuktu/Remote Users Guide." Applicant notes that certain pages in such user guide were expressly mentioned

by Citrix Systems, Inc., in the above mentioned litigation. These pages are: 1, 23, 28, 30, 49-50, 77-78, and ii. However, Applicant encourages the Examiner to make his or her own determination of the materiality, if any, of any of the pages in such reference.

Applicant also discloses and provides herewith a complete copy of the "Timbuktu - The Next Best Thing to Being There Users Guide." Applicants believe that such user guide contains information similar, but not necessarily identical, to that provided in the before mentioned "Timbuktu/Remote Users Guide." Applicant encourages the Examiner to conduct his or her own review of such reference and make a separate determination as to the materiality, if any, of any of the pages in such reference.

Applicant also refers on the attached PTO-1449 to the "Tutorial-Computer Graphics Hardware Image Generation and Display," by Hassan K. Reghbaty, IEEE Press, New York, 1988, a copy of which is not enclosed, but has been submitted by the Applicant to the USPTO's Technical Library on April 2, 2003, for the examiner's use as desired. Applicant has, to date, only reviewed the first seventeen pages of such reference. As such, Applicant makes no explicit or implicit representation that any portion of this reference is or is not material to the examination of the present application. The Examiner is encouraged to review the reference as s/he sees fit and to make his or her own determination of the materiality, if any, of any portion of this reference.

Pursuant to 37 C.F.R. § 1.97, no fees are due with respect to this filing. However, if any fees are deemed necessary, such fees may be charged to Deposit Account No. 04-1415.
